Arts, Inc. (NSAA) is a not-for-profit company dedicated to offering high caliber opportunities in the performing, visual and literary arts to all ages. It is designed to encourage, inspire and promote creativity while fostering a cultural appreciation of the arts in our communities. NSAA promotes a sense of character, responsibility and strength of character while providing individuals and families the means to recognize and develop talents, interests, assets, and aspirations. Beyond the arts, NSAA strives to build healthy communities through the development of positive values and a commitment that will be evident across all cultural and socio-economic groups.

Please join us for a semi-formal family evening filled with song, dance and auction fun...all to celebrate the arts and benefit NSAA programming.

Research has shown that kids who are in the arts do better in other subjects, score higher on standardized tests, stay out of trouble, and are more likely to graduate and go to college. Many of the skills required to succeed in today's work force are the same skills learned from participating in a program in the arts, such as problem solving, self-motivation, discipline, and teamwork.
